Volume 2 Issue 10
OCTOBER 2009

Letter from the Prez

It's been a busy October! For those of you have not heard, Linda and I opened up our business, 1st Class Home Inspection. Things have been progressing. Enough about that. We all had a wonderful time at the fall color run up North. We had an excellent turnout, great scenery and good conversation. Now it's getting to that time of year to start thinking about our Christmas party. As you will read later in the newsletter, our club has picked the date. January 9 at 5:30 pm. It will be held at the Elks Club. We are working on the dinner menu and will let everyone know all the details when they are worked out. We will again be holding a food shelf drive.

October is also the end of our fiscal year so yes, its dues time again. Remember that the majority of the dues goes to the NCCC. We have to have all the paperwork into them by the end of November so we can get all squared away with our insurance and next years planned events. And speaking of events it was decided at our October meeting that we will again be hosting our show Corvettes for a Cause next year. The dates will be Memorial Day weekend. May 28-29-30. We have just started the initial planning stages and will be holding our first meeting on November 19th at Squeaky's. (bowling alley) at 6:30 pm. We have several new events planned and many exciting new things for next years show. Anyone who is interested in attending is welcome.

We also want to plan a mid winter activity to keep the group connected over the winter. If you have any ideals please share them with me. We also voted on new club officers for 2010 and I wanted to make sure we all thanked the 2009 officers. Thanks to Brad Fluck for being vice president, thanks to Kathy Winter for her newsletter editor position and many thanks to Sheryl Luckemeyer for her website expertise. Bob Tschida has accepted the Vice president role for 2010 and Kathy Winter will be our new Secretary. Linda will remain treasurer and I graciously accepted another term as president. Debbie Hotvedt will be the club photographer. We are still in need of an officer for Governor for the NCCC as well as a newsletter editor. If anyone is interested please let me know.

You will notice now in our club newsletter as well as on our website that there is a sponsorship advertising cost description for anyone wishing to advertise their business and help us support our club. Let me know if you are interested. See everyone at our November meeting.

Ron

Letter from the VP

With this being my first newsletter I'm lost for words. "What!" I was nominated for the office of V.P.. It is an honor to represent all of you people who are my kind of people. Laid-back and easy going and willing to accept me into your club. "Yahoo". I could of joined one of the clubs in the twin cities but they're a different breed of cat.

In my past (100 years ago), I was involved with cub scouts, baseball, football, hockey, either coach or board. Later involved with VFW, #230 and Oak Grove lions club. Currently I'm with a food shelf located in Robbinsdale. "So that's enough of that Bob".

Well any way, we had a good turn out at the meeting this month. The president released a new position; which is taking hundreds of pictures at any kind of event. Oh that's Debbie, which is right down her alley. She attended nite class for photography for 10 years. I will be her understudy. But let's not forget all of you can join in!!!!

Now-----men of the club!! What's one thing we strive to do once a month?? Right!! Please our spouse or friend. Just think how many points you can make. Now I have the secret to this word "please or points". "Ya dear I was planning on taking you out to dinner this month. You know one night this month when we won't be sitting in front of the TV" there you got her. Take her to the special meeting this month where all your friends will be; and the wife can gossip. You don't have to volunteer for anything. Just come and see your friends. I'll drive my 120 miles to be there to visit with you.

Have a great month-----Bob

OUR MISSION STATEMENT

We are a Community-Involved club, raising money for various local charitable organizations and National Foundations. We also donate our time by volunteering at various local activities and events.

Purpose

The purpose of this organization is to promote good fellowship among Corvette owners and enthusiasts, to preserve the Corvette as a classic car, and to share information on all phases of ownership and restoration. The club supports the maintenance of the highest standards of courtesy and safety on and off the road.
